the personnel to discharge their duties. The police have arrested Sri Nazeer and they have told that Sri Nazeer is not the person who has assaulted the doctor. Some other persons have assaulted. Even the police were not negligent. But the doctors had an apprehension that the police might have let off the gang and resorted to a lightening strike for about 15 to 20 minutes. Anyway we have taken action against those who have come in a gang to attac the doctor. Regarding Board of Visitors, we are starting it. For your information, in Bangalore your neighbour, Kum. Pramila is heading the Victoria Hospital.

SRI C. M. ARUMUGHAM.—You have made her as the Chairman for womens' hospital.

KUM. S. PRAMILA.—Women patients are also there in the Victoria Hospital.

SRI P. RAMDEV.—Is it a reward for her joining your party?

SRI A. K, ABDUL SAMAD.—I assure that in K. G. F,, the situation is normal and there is no apprehension on the part of the doctors for any demoralisation.
